

HOLDER FOR CALIPER

INSTRUCTIONS

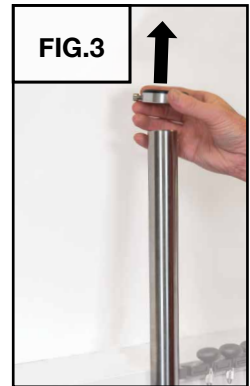

Instructions apply to the
following product(s):

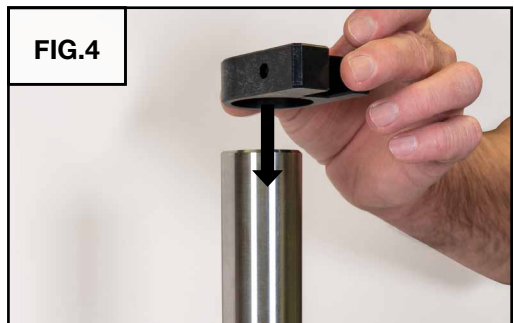

523-015

Removal of Microscope Arm and and Collar

This organizer is made to be mounted to the Jura by GRS Microscope Stand. If you are adding it to a previously installed microscope stand, you will need to remove the microscope arm and collar from the post. If you do not need to remove the microscope arm and collar, skip to **Installation of Digital Caliper Organizer**.
