STUDENT TRAVEL GUIDE

We are excited and
grateful that you have chosen the
GRS Training Center for your artistic journey.

This travel pack is a resource for you to make the
trip to Emporia Kansas a little easier. Traveling to
an unfamiliar area can be difficult, so we have
included links and information about the closest
airports, lodging, how to get to the GRSTC, and
the community we love to call home!

FLYING

If flying to Emporia makes the most sense for your situation, there are several nearby airports. Expect to drive an additional 2 hours to get to Emporia, so plan to rent a car. Most airlines have discounts for advance reservation (7-day, 21-day and 30-day).

Before booking, check policies and restrictions on Saturday night stay-over, ticket changes, refunds, etc. Get ticket prices from several airlines and through more than one travel service. Generally, you will spend less money on travel if you make your arrangements sooner rather than later.

GET AN EARLY START

Most students **travel to Emporia the Sunday prior to class** and return home on the following **Saturday**.

PLEASE NOTE: We cannot transport students by any means for arrival, departure, or during their stay in Emporia. We are not licensed or insured for this type of service.

PACK YOUR CHECKBOOK

Bring your checkbook to **receive free shipping on tool purchases.**

DRIVING

CAR RENTAL

Renting a car is the best transportation from nearby airports to Emporia, and you have freedom to travel at your leisure. Round-trip mileage is an estimated 255 miles from Kansas City and 185 miles from Wichita, plus local travel. Rates that include unlimited mileage often make the most sense.

DRIVING YOUR OWN VEHICLE

Driving your own vehicle may be more practical than flying and renting a car. We have adequate parking for even a larger recreational vehicle.

STAY A WHILE

The establishments listed here have agreed to a special rate, but are not necessarily recommended by Glendo/GRS®. To receive this rate, you must call the Emporia hotel directly and specifically request "Glendo rate" when making arrangements. Rates do not include tax, and are subject to change without notice.

ABOUT EMPORIA

WEATHER

Spring and fall are transitional seasons with rain likely and temperatures being warm or cool. Occasional thunderstorms in late spring through summer may occur. During summer (late June through mid September), highs can reach the mid 90s and above. Short sleeves and lightweight pants (or shorts for casual wear) are perfect for summer. We recommend bringing a light jacket or sweater for class in the Training Center.

EMPORIA COMMUNITY

With a population of nearly 25,000, Emporia is a modest and typical Midwestern town. It has a surprising balance of industry, culture, education, and agriculture. Emporia State University has over 6,000 full-time students from around the world.

Restaurant choices are standard for the Midwestern and Southern states. Both Mexican and Asian food restaurants thrive, with a variety of fast food franchises located throughout the city. The community has adopted a smoke-free law, so all dining, lodging, and the GRS Training Center are smoke-free.
